Royal Ascot Racing Tour

June 2020

Including
The Irish Derby Extension

It is with great pleasure that I invite you to join us on our Royal Ascot Racing Tour. This is undoubtedly one of the greatest race meetings in the world as well as being the most celebrated social events of the year.

In the past Australian horses have met with success at Royal Ascot and I have no doubt that we will once again have a strong representation in 2020.

There are few sporting events that can match the rich history of racing at Royal Ascot with champion thoroughbreds from across the globe including Hong Kong, the USA, New Zealand and of course, Australia competing.

The tour includes the first and final day of this prestigious race week, highlighted by the King's Stand and Golden Jubilee Stakes, and you will have the opportunity to attend any of the other race days.

As well as Royal Ascot no doubt another of the highlights will be our visit to Newmarket. Renowned as the horse racing capital of Europe with a history dating as far back as 1174.

It is also the European base to two of the largest racing and breeding conglomerates in the world – Darley and Juddmonte Farms, and during our stay we will experience a stallion parade at both Dalham Hall and Banstead Manor.

At our welcome dinner at the Bedford Lodge in Newmarket, enjoy an informal dinner in the company of special guests including English and Australian racing identities who will share their insight on the forthcoming races.

At the completion of the tour you have the option of extending your stay and joining us on the Irish Derby Tour or further travel throughout England and Europe.

Royal Ascot is one of the most famous race meetings in the world with over 300 years of history and is a sporting venue rich in heritage and culture and attended by members of the British Royal Family as they arrive in a horse-drawn carriage.

Royal Ascot

A national institution, Royal Ascot is the centrepiece of the British social calendar. Each year, the tradition, pageantry and fashion combine at one of the most beautiful settings in the country and the fashion holds no bounds.

There are few sporting events that can match the rich history of racing at Ascot. Over 300,000 visitors attend the event over the 5 day racing carnival. The quality of the racing at Royal Ascot is simply outstanding, with nearly £4 million in prize money on offer and a total of eighteen 'Group' races over the five days.

At least one group race is run every day of the carnival. The Kings Stand Stakes on the first day and the Golden Jubilee Stakes is run on the last day. Australian horses have been successful in these events in the past and no doubt they will have a strong representation in these events again in 2020.

Headquarters of British Racing

Newmarket is the headquarters of the British Racing Board and has a history dating as far back as 1174 making it the earliest known racing venue of post classical times. It is also the European base of the largest racing and breeding conglomerate in the world – Darley.

Your accommodation is centrally located and is in walking distance to some of the leading English trainer's stables which house many of the contenders for Royal Ascot including the Australian contingency.

During your stay in Newmarket you will mix with racing's elite in this quaint English town as everything gears towards Royal Ascot. Visit stables, watch horses train on the heath and take in the National Thoroughbred Museum. You will visit two of the world's leading stud farms including Dalham Hall owned by Sheik Mohammed Maktoum of Dubai, and Banstead Manor Stud owned by Prince Khalid bin Abdullah of Saudi Arabia.

Dalham Hall -Darley

Darley is HH Sheikh Mohammed bin Rashid Al Maktoum's global thoroughbred breeding operation, which currently stands stallions in six countries around the world. Its headquarters are at Dalham Hall Stud, located within the historic home of racing, Newmarket.

Currently heading the line-up of eight thoroughbred stallions is Dubawi, one of the world's most successful stallions and a son of one of the most famous stallions to stand at Dalham Hall – Dubai Millennium.

Juddmonte Farms

Owned by Prince Khalid bin Abdullah of Saudi Arabia, Juddmonte Farms consists of a variety of individual farms: three in England, two in Ireland, and three in Kentucky and is renowned as one of the leading breeders in the world.

Banstead Manor is the headquarters of Juddmonte European breeding operation and has an impressive list of stallions headlined by the unbeaten Frankel as well as Dansili, Oasis Dream, Bated Breath and Kingman.

Bedford Lodge Hotel & Spa Newmarket

Bedford Lodge Hotel & Spa was originally a Georgian hunting lodge built for the Sixth Duke of Bedford in the 18th century and was converted into a hotel in the 1940's. Nestled in three acres of secluded rose gardens and adjacent to some of the most famous paddocks and training stables in the world.

The Bedford Lodge Hotel & Spa provides the perfect blend between old and new, retaining the charm and character of a country house but with the modern luxury and comfort of an exquisite boutique hotel.

Royal Garden Hotel London

The Royal Garden Hotel is a first class hotel situated in the heart of Kensington on high street. Perfectly situated within walking distance to the Natural History Museum & Royal Albert Hall. Additionally, Knightsbridge & Harrods are located nearby. Regarded as one of the most contemporary hotels in Kensington, London, you will enjoy a combination of superb, facilities and modern design.
